

excel global partners

Excel Global Partners LLC (EGP) is a full-service consulting firm specializing in corporate financial strategy and implementation. Our team of consultants offers real world experience and a track record of generating strategies and solutions that makes businesses more efficient and profitable. From cash flow improvement to mergers & acquisitions, we provide the expertise and the human capital to get the job done. Our clients expect exceptional results – we are integral to their success and we deliver time and again.

THE EGP TEAM

At EGP, our consultants bring clear answers to complex situations. They are the best and brightest leaders in business, finance, and technology. Our team of former CFO's, Controllers, and Business Analysts brings a sense of urgency while providing exceptional solutions to every challenge. That's our mission at EGP, that's our promise.

UNLEASH THE POWER OF EGP

As a trusted business advisor, we help clients to enhance operational excellence and to maximize business performance. EGP is the choice of companies, large and small, to deliver solutions that enhance their business's value and to achieve a competitive edge in the marketplace. We uncover hidden opportunities that others miss and provide long-term solutions that work. We deliver every time. That's the EGP difference.

THE EGP DIFFERENCE

Service: EGP provides extraordinary service, responsiveness, market insight, and out-of-the-box thinking while carefully managing your project's scope, time, and cost.

Experience: EGP team members bring a distinguished record, having witnessed and successfully navigated businesses through periods of rapid change.

Strategy: EGP delivers a strategic mindset to everything we do. We measure our success in terms of our client's financial success.

Results: EGP finds solutions that others miss by providing exceptional solutions from consultants with real world experience. At EGP, we know business and rapid change.

Excellence in Real World Experience.

Excellence in Business Advisory Services.
